

Oct 2011

Message from your President -

We had our challenges this show season...

Slide In, or more aptly named the Mud Slide, our June show canceled due to the EHV outbreak and the Spin Out was more like a Cook Out with temperatures soaring close to 100 degrees; the end result, we had one of our more successful seasons. Slide could have been a mess but thanks to our team we modified the arena, Darren Stancik stepped in and helped with judging and the show went on. Our derby show was our largest and the derby itself was nothing short of incredible. The Spin Out was HOT, not only the temperature but intense competition at all levels. Our newest class the Maturity like the Derby was also incredible. Expect to see more Maturities with larger amounts of added monies.

And here is a well deserved congratulation;

OUR VERY OWN KEITH JOHNSON FOR QUALIFYING NOT JUST ONCE, BUT MULTIPLE TIMES FOR THE NRHA 70/70 SADDLE GIVEAWAY (<http://nrha1.com/7070>). WAY TO GO KEITH AND GOOD LUCK FROM ALL OF YOUR ROWDY FRIENDS AT RHANW! I think we all hope we are RIDING this well in our seventies.

It is time again to begin planning for next year. You will find (under news letter) the ballots for President, Treasurer, and two board positions. There is also a space for write-ins if desired. Also attached is the notice for our annual meeting to be held Nov 12, 2011. Everyone is welcome to attend, please do so if you can. This is our first step in planning for next year and is an important meeting. Some items on the agenda: 3 day or 4 day shows, Maturities and added monies, warm-up arena and counting the ballots.

We would like to thank our volunteers for countless hours of help before, during and after the shows. It takes a dedicated team to stage shows of the size and quality that we have had in the last few years.

Again THANKS to the volunteers.

Thank you RHANW members for supporting our club,

Norm Poser
President RHANW
